Hi Emma

I am writing to inform you that after sending out emails through the Association to all members regarding a price increase from 18.00 – 00.00 (midnight) on both Christmas Eve and New Year's Eve to an increase of time and a half (rate 2)

We feel that should we increase it we may be able to persuade more drivers to work on these shifts.

Emails we had a response from are

Liphook (Mark)

Wilson's (Alton)

Alton 8's (Alton)

No responses from Petersfield.

A handwritten signature in blue ink that reads 'P. Blackman'.
